

Noren Curtain Care Guide

Gentle care for printed fabric doorway curtains and soft room dividers.

Follow the product page first if a specific curtain gives more detailed care instructions.

Routine Cleaning

- Dust or shake lightly before using moisture.
- Spot clean small marks with a soft, slightly damp cloth.
- Use a tiny amount of mild soap only when needed, then remove residue with a clean damp cloth.
- Avoid hard scrubbing so the printed surface and fabric weave stay smooth.

Drying And Storage

- Hang or lay flat in shade until fully dry before storing or rehanging.
- Store folded or hanging in a clean, dry place.
- Keep away from heaters, dryers, and harsh direct heat while drying.

Avoid

- Bleach, harsh cleaners, strong solvents, and abrasive tools.
- High heat, heaters, and rough direct sunlight while drying.
- Twisting, wringing, or heavy pressure on damp fabric.
